

Subject: CURRICULUM VITAE

Applicant: **Dragana Beric**
Maiden name: **Jovanovic**
Telephone: +381 18 510900
E – mail: dragana_beric@yahoo.com

Education:

- **Ph.D. In Physical Education**
Dissertation title: “Basketball educational contents’ efficiency in physical education and extracurricular activities area in terms of psychosomatic status transformation in elementary school pupils.”
Faculty of Physical Education, Novi Sad, Serbia, 1999

- **M.S. In Physical Education**
Thesis title: “Metrical characteristics of composite tests of the primary situational and motor precision skills in terms of putting the ball in the basket and their factorial validity”.
Faculty of Physical Education, Novi Sad, Serbia, 1994

- **B.S. In Physical Education**
Graduated with Honors
Faculty of Sports and Physical Education, Nis, Serbia, 1989

Teaching experience:

- 2009 – current **Full Professor**
Faculty of Sport and Physical Education..... Nis, Serbia

- 2010 – current **Chief of Doctoral Studies**
Teaching Doctoral Studies
Teaching: Anthropological research in physical education, Methodology of scientific research, Situational successfulness in sports, Research studies – scientific activity.
Faculty of Sport and Physical Education..... Nis, Serbia

- 2011 – current **Teacher of Master Studies**
Teaching: Methodology of scientific research.
Faculty of Sport and Physical Education..... Nis, Serbia

- 2005 – 2007 **Visiting Teacher of Master Studies**
Department of Theory and Methodology of Physical Education
Faculty of Education Plovdiv, Bulgaria

- 1997 – 1999 **Visiting Teacher of Undergraduate Studies**
Teaching: Theory and methodology, Organization and information technology
Higher Education School of Basketball Belgrade, Serbia

- 2004 – 2009 **Associate Professor**
Faculty of Sport and Physical Education..... Nis, Serbia

- 1999 – 2004 **Assistant Professor**
Faculty of Sport and Physical Education..... Nis, Serbia

- 1990 – 1999 **Teaching assistants**
Faculty of Sport and Physical Education..... Nis, Serbia

Other working experience:

- 2006 – 2009 **Senior Associate Dean of Science and International Cooperation**
Faculty of Sport and Physical Education..... Nis, Serbia
- 2002 – 2004 **Senior Associate Dean of Academic Affairs**
Faculty of Sport and Physical Education..... Nis, Serbia
- 2004 – 2006 **Senior Associate Dean of International Cooperation**
Faculty of Sport and Physical Education..... Nis, Serbia
- 2006 – 2009 **Senior Associate Dean of Science and Development**
Faculty of Sport and Physical Education..... Nis, Serbia
- 2000 – current **Mentor and Advisory Committee Member**
15 doctoral dissertations and 25 master theses
Faculty of Sport and Physical Education..... Nis, Serbia

Elected member:

Chair of the Committee for the evaluation of doctoral dissertations projects
Faculty of Sport and Physical Education..... Nis, Serbia

Chair of the Committee for creation of study programs in all study cycles
Faculty of Sport and Physical Education..... Nis, Serbia

Chair of the Committee
Multidisciplinary Research Centre
Faculty of Sport and Physical Education..... Nis, Serbia

President of the Organizational Board
IX International Meeting on FIS Communications in Sports, Physical Education and Recreation
Faculty of Sport and Physical Education..... Nis, Serbia

President of the Programming Board
X International Meeting on FIS Communications in Sports, Physical Education and Recreation
Faculty of Sport and Physical Education..... Nis, Serbia

Presidency Chairman
Students' Association
Faculty of Philosophy..... Nis, Serbia

President
Team Handball Club "ORK" Niš Nis, Serbia

President
Sports Association "Filozof" Niš Nis, Serbia

Affiliations:

Member of the Senate

University of Nis..... Nis, Serbia

Member of the Committee for international cooperation and public relations

University of Nis..... Nis, Serbia

Member of the Presidency

University Union of Physical Education Organizations Belgrade, Serbia

Member of the Scientific Committee

Faculty of Sport and Physical Education Institute..... Nis, Serbia

Member of the Scientific Committee

International Symposium of Sports in Higher Education..... Plovdiv, Bulgaria

Sports Career:

She practiced basketball actively since the age of 10. During that time she represented Basketball Club "Student" from Nis (Serbia) through all of its youth categories, including senior competition category, where she competed on the national level. Being one of the most talented young players, with promising basketball future, she frequently made part of the selection list for the national team of Serbia, or Yugoslavia, during the period from 1980 through 1986.

Skills:

- Languages: **English** (Advanced level), **Serbian** (Mother tongue),

- Computer skills:

Highly experienced user of MS Office.

Experienced user of internet and internet tools.

- Valid Driver's License (national & international) – Category "B"

Abilities:

Excellent teaching, researching and analyzing skills.

Excellent communicational, organizational, managing and field work skills.

Used to dealing with a lot of stress and to perform efficiently under pressure.

Excellent at team work and also a leader.

Reliability, responsibility and excellent organizational and managing skill.

Very interested in innovation and new technologies.

Publications:

Published more than 140 scientific papers and some of them in leading referred journals.

Some of the most important publications:

1. Kocić, M., BeriĆ, D., & Stevanović, M. (2016). EFFICIENCY OF BALL MANIPULATION IN BASKETBALL PLAYERS. *Facta Universitatis, Series: Physical Education and Sport*, 23-30.
2. Ademović, I. H., Kocic, M. R., BeriĆ, D. I., & Daskaloski, B. S. (2016). Explosive leg strength of elite basketball players. *Facta Universitatis, Series: Physical Education and Sport*, 253-261.

3. Nikolic, D. S., Kocic, M. R., **Beric, D. I.**, Cvetkovic, N. T., & Krzalic, A. S. (2015). Motor abilities of children in urban and rural areas. *Facta Universitatis, Series: Physical Education and Sport*, 127-138.
4. Stojiljkovic, N., Savic, Z., Bratic, M., **Beric, D.**, & Milanovic, Z. (2015). Twenty years of the Facta Universitatis, series Physical Education and Sport: The historical aspects of research methodology in sport and physical education. *Facta Universitatis, Series: Physical Education and Sport*, 203-216.
5. Kocić, M., **Beric, D.**, & Stojić, M. (2015). The situation success in the handball: Review. *Facta Universitatis, Series: Physical Education and Sport*, 97-105.
6. Vukosavljević, J., Kocić, M., **Berić, D.**, & Stojić, M. (2015). The situation success in the handball: Review. *Facta universitatis-series: Physical Education and Sport*, 13(1), 97-105.
7. Radenković, M., **Berić, D.**, & Kocić, M. (2014). The influence of the elements of basketball on the development of motor skills in children with special needs. *Facta Universitatis, Series: Physical Education and Sport*, 123-130.
8. Čoh, M, Berić, D, Bratić. (2013). The biodynamic analysis of drop jumps in female elite athletes. *Facta universitates, Series Physical Education And Sport*, 11 (1), 1-8.
9. Ranković, G., Mutavdžić, V., Marković, S., Berić, D., Toskić, D., Stefanović, R., Kocić, M. i Lilić, Lj. (2011). The aerobic capacity as an indicator of physical ability in handball and judo players. *Gazzeta Medica Italiana Archivio Per Le Sceinze Mediche*, 171 (1) 447-451.
10. Čvorović, A., Kocić, M. i Berić, D. (2011). Dominant and non-dominant extremities asymmetry through manifestation of the movement frequency in young basketball players. *Facta universitates, Series Physical Education And Sport*, 9 (1), 91-98.
11. Kocić, M., Berić, D. i Bojić, I. (2009). Influence of training process on development of situational and motor skills of throwing precision in young basketball players, *Acta Kinesiologica*, 3 (2), 67-72
12. Pupiš, M., Raković, A., Savanović, V., Stanković, D., Kocić, M. i Berić, D. (2010). Hyperoxy as a form of anaerobic workload reduction on the elite basketball players. *Acta Kinesiologica*, 4 (1), 45-48.
13. Čvorović, A., Berić, D. i Kocić, M. (2011). Disproportion of the dominant and ancillary extremities in manifestation of explosive power in young basketball players. *Scientific and Practical Aspects, International Journal of Kinesiology*, 8 (1), 5-9.
